

SOAR

GET READY FOR WHAT'S NEXT

EXODUS

SOAR

94% of pupils would recommend the course to others.

A six session course designed to inspire and equip pupils (Yr 11+) to **get ready for what's next**.

Introducing SOAR

Exodus is a Christian Youth Organisation which has been working with young people in schools, youth centres and community groups since 1997.

We developed SOAR because we saw an opportunity to engage with upper secondary students about issues of **character** and **personal development**. So much of education is focused on building skills and knowledge to help young people answer the question, *What do I want to be when I grow up?*

We help students answer the question, ***WHO** do I want to be when I grow up?* Through six interactive and engaging sessions delivered by trained facilitators, SOAR can help your students take responsibility for the person they are becoming and build practical skills for growth that they will return to again and again.

Engaging

6 workshop style sessions lasting 35-55min are delivered by Exodus staff and volunteers in an interactive and creative way covering:

Values
Identity
Curiosity
Change
Balance
Responsibility

Certified

Stranmillis University College will issue a certificate of completion to every pupil who finishes the programme.

Core

Designed around the Learning for **Life & Work syllabus** meeting key elements from Key Stage 4, as well as 6th form **Personal Development targets**.

What teachers are saying:

In 20+ schools!

Before the last session the pupils were asking me if we could have Exodus in for another six weeks. They genuinely did not want it to end! This course has really had a positive impact on my class.

Teacher from St. Patrick's College, Banbridge

This class has never been as focussed and tuned in as they are during the SOAR sessions. The Exodus staff really connect well with the pupils.

Teacher from Fort Hill Integrated College
