SOAR

A six session leadership course designed to inspire and equip pupils (Yr11+) to lead themselves well.

Introducing SOAR

Exodus is a Christian Youth Organisation which has been working with young people in schools, youth centres and community groups since 1997.

We have seen that when young people lead themselves well they increasingly unlock their potential and maximise their gifting.

With this in mind, the SOAR course aims to equip students with the skills to lead themselves and others well, within their school, community and future career path.

Engaging

6 workshop style sessions lasting 35-55min are delivered by Exodus staff and volunteers in an interactive and creative way covering:

Values
Personality
Health
Habits
Listening
Resilience
